

QUALITY POLICY STATEMENT

Insight Management Consultants Limited (IMCL) recognizes that Quality is the responsibility of all personnel, and therefore will promote a quality culture within the organization by continuously educating and training employees on their role in the Quality Management System (QMS) in order to enhance quality improvement in the organization.

We shall carry out our Human Resource and Marketing Management functions in a professional and ethical manner in line with our defined and documented policies and procedures, and will strive to comply with applicable statutory and legislative requirements.

We shall comply with and continually improve the effectiveness of the quality management system as per the requirements of ISO 9001: 2015 International Standard so as to meet our customer, staff and stakeholders' needs and expectations. In order to continually improve the effectiveness of our QMS, we will ensure that risks and opportunities within our QMS are continuously identified and addressed and that appropriate and timely corrective and preventive actions are taken for deficiencies identified within the quality management system.

Insight Management Consultants Limited will ensure that this quality policy statement and the quality objectives associated with it are periodically reviewed for their continued suitability in our biannual management review meetings.

The Quality Management System has the full commitment of the Top Management.
